

BORROWED TIME

SHOWMANSHIP SCHOLARSHIP AWARD APPLICATION

The Showmanship Scholarship Award program will grant one rider showmanship training for the 2023 season. This will include 9 months of showmanship and riding instruction with our trainers beginning in March of 2023. There will be 3 or 4 shows that the recipient will participate in to display their showmanship skills.

We would like the applicant to let us know why they would like to work with, learn about, ride and show horses by writing a paragraph describing their interest. A Showmanship Scholarship Award recipient will be chosen by Borrowed Time in February 2023 and all applicants will be notified of that determination.
